

## General Information

The Association for Healthcare Risk Management of New York is pleased to provide this networking opportunity to our members and colleagues on the topic of Health Exchange Implementation: How it will impact hospitals and risk managers. This program will provide an overview of the Affordable Care Act (ACA) and implementation of the New York State Health Exchange or Marketplace.

## Speaker

Kathleen Shure is a Senior Vice President with the Greater New York Hospital Association (GNYHA). She is responsible for all managed care and insurance activities and is also heavily involved in health reform policy matters involving Medicaid and coverage expansion. She also sits on the New York City Regional Advisory Committee for New York's Health Benefit Exchange.

Prior to joining GNYHA in 2008, Ms. Shure was director of the Office of Managed Care in the New York State Health Department where she was responsible for regulatory oversight of the managed care industry in New York; implementation of all Medicaid managed care programs and was the Department's lead on federal waiver and universal coverage initiatives. Prior to joining the Health Department, Ms. Shure worked with the North Shore Long Island Jewish Health System running their management services organization and with HIP Health Plan where her last position was Senior Vice President in charge of provider relations and government programs. Ms. Shure began her career with the Health Care Financing Administration working in Medicaid reimbursement. She has a BA in economics from Colgate University and an MPA in health policy and administration from NYU.
