

Celebrating 40 Years of Service

AHRMNY

The Association for Healthcare Risk Management of New York, Inc.

Fall Educational Webinar

Wednesday, October 12, 2022

10:00 - 11:00 AM EST

Integrated Operations:

How the Risk and Quality Management Functions Have Benefited a Large System and Tertiary Hospital

Goals of this webinar:

- What makes the model of Risk and Quality Management (QM) different and successful?
- Ability to replicate the model at other institutions

Guest Speakers

Avraham Z. Schwartz, Esq.
Vice President
Medical Malpractice Program
Corporate Risk Management
Northwell Health

Andrea Restifo, RN, MPA, MHCDS
Associate Executive Director
North Shore University Hospital

Attendees will better understand:

- Structure Risk and QM and different aspects of each program
- Methodology overlap
- Notification and measure of effectiveness
- Improve North, debrief, RCA
- Risk assessments, tracers, failure modes, policy, disclosure
- Tools used - for example - case grid, risk form
- Results

Continuing education credits towards the risk management designations: FASHRM, DFASHRM, and CPHRM are pending review by the American Society for Health Care Risk Management (ASHRM)
