

The Association for Healthcare Risk Management
of New York, Inc. and COVERYS presents a webinar entitled:

MORAL INJURY AND PERSONAL RESILIENCY: MOVING THROUGH PAIN

THURSDAY, DECEMBER 10TH, 2020 | 12:00 PM - 1:30 PM

Healthcare providers face increased pressure daily, especially during the ongoing COVID-19 pandemic. The unprecedented events front line healthcare workers have experienced during 2020 has challenged their deepest moral codes leaving injury to one's mental, emotional, and spiritual wellbeing.

This webinar's objectives seeks to:

- Describe the ethical and risk management implications of moral distress and moral injury.
- Discuss the three categories of moral injury and how to recognize them in yourself and others.
- Implement recommendations that can reduce or mitigate potential effects from moral distress and moral injury.

COST TO ATTEND

Current AHRMNY members attend free of charge. Cost for nonmembers is a flatrate fee of \$25. This is a one-time charge covers all attendees from the same company that register to attend this event.

PRESENTED BY GUEST SPEAKER

**Josh Hyatt, DHS, MHL, MBE (c),
DFASHRM, CPHRM, HEC-C, CPPS**
Systems Manager, Risk Management
COVERYS

Josh is a clinical risk manager, bioethicist, executive healthcare leader, and professor with more than 25 years of healthcare experience. He received his Doctor of Health Science and Master of Health Law degrees at Nova Southeastern University and is currently a Master of Bioethics candidate at Harvard Medical School. He has a broad base of experience that includes academic medical centers, community hospitals, community mental health and in-patient psychiatric care, physician office and ambulatory settings, accreditation and regulation, clinical ethics, and corporate compliance. Some of his academic and professional interests include relationships between health law and medical ethics, moral distress, professionalism and its impact on patient safety, social media and its impact on the practice of healthcare, and LGBT healthcare.
