Re: 2019-2020 Board Meeting Schedule

Please find board meetings scheduled for the 2019-2020 term. Board meetings are held once per month via teleconference or in-person. Calendar invites will also be sent via email so you may add meeting dates to your electronic calendar. Several days prior to meeting, an email is sent with agenda, minutes and other documents for your review. In the event that a meeting needs to be rescheduled, board member availability will be requested and a new date will be set, based on received responses.
