PROGRAM SCHEDULE

9:00 am

President's Welcome & Announcements

- Rob Marshall, AHRMNY President

9:05 am

Transgender Healthcare

- David Rosenthal, DO, PhD

Objectives of this presentation:

- Recognize the population identified as transgender and the barriers to accessing health care.
- Discuss the unique Risk Management situations that have surfaced related to a lack of awareness of the needs of the transgender patient.

10:05 am

Cardiac Health and its Liability and Risk Management

- Evelina Grayver, MD, FACC

Objectives of this presentation:

- To understand basic cardiac language.
- Understanding cardiac emergencies.
- Interpreting cardiac language into lay-man speech.

11:05 am

Rural Health Challenges in Risk Management & Patient Safety

- Victor Klein, MD, MBA, CPHRM, FACOG, FACMG, FASHRM

- Adriann Combs, DPN, NNP-BC

Objectives of this presentation:

- Understand the current trends in healthcare professional and hospital bed availability in rural communities and its impact on access to care.
- Discuss the role of "Safety Net" hospitals and the risk acquired by the organizations.

Attendance Fee:

Attendance is free for current AHRMNY members. The nonmember rate is \$25. Nonmembers are encouraged to join AHRMNY and attend this program free of charge and qualify to attend other educational programs/events at no additional charge or discounted rate.
