The Association for Healthcare Risk Management of New York, Inc. and our Sponsors invite you to join us at our Annual Full-Day Educational Conference. We have engaged a variety of experts who will present on a wide range of topics relevant to risk management, patient safety and quality. Our program opens with a presentation by Kristofer Smith, M.D. keynote speaker, who will address transformation in healthcare. Following Dr. Smith's keynote address, there will be breakout sessions. Topics include: patient safety organizations, privacy and security in healthcare, informed consent, managing preventable pain, hot topics in behavioral healthcare and, managing credentialing risks in age, health and impairment. Don't miss this opportunity to learn, network and earn continuing education credits. We can't wait to see you on June 3, 2016!
